

# OPEN HOUSE

**BS Health Sciences**  
**Pre-Med to MD**  
**Pre-Pharm to PharmD**

**Pre-Medical Post-Baccalaureate**

We offer comprehensive academic programs that include innovative teaching, service learning, research, and leadership training. Students are prepared for professional careers or for graduate or professional school studies.

**Doctor of Pharmacy, PharmD**

An emphasis on active learning, direct patient care experiences, and the role of research in advancing the profession of pharmacy.

**Doctor of Medicine, MD**

Dedicated to educating students to become patient-centered, confident leaders in medicine. Education is provided using an innovative, integrated basic and medical science system-based curriculum.

**SATURDAY, January 21, 2017**  
**9:30 AM — 12:00 PM**  
**2910 Prospect Park Drive**  
**Rancho Cordova, CA 95670**

The College of Health Sciences at California Northstate University cordially invites prospective students, and their friends and families, to visit the Rancho Cordova campus. Campus leadership will welcome you and then provide a brief overview of our outstanding academic programs. Current students, deans, faculty, and admissions team members will be available to answer your questions while you enjoy refreshments.

Activities include:

- ◆ Information sessions about academic programs and support services
- ◆ Q&A with faculty, current students, and admissions team members
- ◆ Student-led campus tour of Rancho Cordova campus (CHS)
- ◆ Optional tour of the Colleges of Medicine and Pharmacy on the Elk Grove campus at 1:30

To RSVP or to schedule an individual tour, please call 916.686.7656 or email [Janie.Carlson@cnsu.edu](mailto:Janie.Carlson@cnsu.edu).
