

Graduate Teaching Assistant

Job Title: Graduate Teaching Assistant, College of Health Sciences (CHS) – Rancho Cordova, CA

Job Classification: hourly, non-exempt (\$12 per hour)

Closing Date: Position open until filled and ongoing

Anticipated Start Date: June 12, 2019 and as needed

Reporting Responsibility: Dr. Damon Meyer & Dr. William Davis

Graduate Teaching Assistant Description:

Under general supervision of the lead course faculty member, Graduate Teaching Assistants (GTAs) will gain valuable teaching experience through supervised course instruction opportunities and/or as tutor's serving in their relevant discipline. GTAs will be provided the opportunity to learn concepts and practical strategies related to course design, instruction, and assessment, as well as gain experience in supplemental instruction activities.

Typical Duties for Graduate Teaching Assistants - Course Support:

GTAs may be brought on to support courses with an enrollment of over 50 students. GTAs will work directly with the course lead in the support of current themed topics in an inquiry based format. GTAs will be responsible for supplemental instruction activities, course support under the guidance of a lead course faculty member, and will be required to hold office hours.

Typical Duties for Graduate Teaching Assistants - Tutoring Support:

GTAs may be brought on to serve in a tutoring capacity in their relevant discipline. In addition, GTAs may staff the writing center. GTAs will be responsible for general tutoring services as well as delivery of supplemental instructional materials designed by course lead instructors.
