

### Health-Related Summer Opportunities for Medical Students and Premed Students

Organization	Description	Website	Misc.
<i>Research – sites with multiple locations</i>			
National Science Foundation	Consists of about 10 undergraduate students working closely with faculty/researchers at the host institution with a specific research project.	<a href="https://www.nsf.gov/crssprgm/reu/index.jsp">https://www.nsf.gov/crssprgm/reu/index.jsp</a>	Undergraduates  May be at a US or foreign location
National Institutes of Health (NIH)	Eight-week biomedical research internship including lectures from NIH investigators and career/professional development workshops.	<a href="https://www.training.nih.gov/programs/sip">https://www.training.nih.gov/programs/sip</a>	Undergraduate, graduate, or professional students
Rochester Institute of Technology	Co-op/internships and summer research opportunities in biomedical research and premedical studies.	<a href="https://people.rit.edu/gtfsbi/Symp/premed.htm">https://people.rit.edu/gtfsbi/Symp/premed.htm</a>	
<i>Research – individual programs</i>			
Baylor College of Medicine	The Summer Medical and Research Training (SMART) program is a nine-week biomedical research program with daily seminars, free SMART GRE prep workshops, and career development activities.	<a href="https://www.bcm.edu/education/schools/graduate-school-of-biomedical-sciences/diversity/smart">https://www.bcm.edu/education/schools/graduate-school-of-biomedical-sciences/diversity/smart</a>	Undergraduates  Program dates: May 29 – July 28
Cincinnati Children's Hospital	The 10-week Summer Undergraduate Research Fellowship (SURF) program provides students with the opportunity to explore clinical and basic science research in the Department of Pediatrics, University of Cincinnati College of Medicine.	<a href="https://www.cincinnatichildrens.org/education/research/surf">https://www.cincinnatichildrens.org/education/research/surf</a>	Undergraduates  Program start dates: either May 30 <sup>th</sup> or June 5 <sup>th</sup>
Mount Sinai	Within the Icahn School of Medicine at Mount Sinai, the Summer Undergraduate Research Program (SURP) is a 10-week intensive biomedical research program.	<a href="http://icahn.mssm.edu/education/non-degree/surp">http://icahn.mssm.edu/education/non-degree/surp</a>	Undergraduates
New York University, College of Medicine	Students work on directed research projects in the biomedical sciences by senior faculty members at the NYU Langone Medical Center.	<a href="http://www.med.nyu.edu/sackler/summer-undergraduate-research-program-surp">http://www.med.nyu.edu/sackler/summer-undergraduate-research-program-surp</a>	Undergraduates (junior or senior academic standing)  Program dates: June 4 <sup>th</sup> – August 5 <sup>th</sup>

Oregon Health Sciences University	The Oregon National Primate Research Center (ONPRC) provides a 10-week fellowship program with a designated mentor in the Divisions of Neuroscience, Reproductive & Developmental Sciences, and Pathobiology & Immunology.	<a href="http://www.ohsu.edu/xd/research/centers-institutes/onprc/public-education/undergraduate.cfm">http://www.ohsu.edu/xd/research/centers-institutes/onprc/public-education/undergraduate.cfm</a>	Undergraduates (sophomore or junior academic standing)
University of California, San Francisco (UCSF)	The 10-week Summer Research Training Program provides research opportunities in biomedical and biological sciences.	<a href="https://graduate.ucsf.edu/srtp#research">https://graduate.ucsf.edu/srtp#research</a>	Undergraduates
University of Texas, MD Anderson Cancer Center	A 10-week investigate research program directed by MD Anderson faculty.	<a href="https://www.mdanderson.org/education-training/degrees-programs/summer-research-programs.html">https://www.mdanderson.org/education-training/degrees-programs/summer-research-programs.html</a>	Various programs available, including those for undergraduates and 1 <sup>st</sup> year medical students
Washington University School of Medicine in St. Louis	The Mallinckrodt Institute of Radiology (MIR) offers a 10-week summer research program aimed at introducing students to current radiological sciences research.	<a href="https://www.mir.wustl.edu/research/summer-research-program">https://www.mir.wustl.edu/research/summer-research-program</a>	Undergraduate and medical students  Program can be started anytime between May 25 and June 8
<i>Research – Clinical</i>			
Columbia University, Arizona Heart Institute Foundation	The 6-week Cardiovascular Summer Student Program exposes students to cardiovascular medicine by allowing them to attend lectures and clinical rotations.	<a href="https://www.cc-seas.columbia.edu/preprofessional/opportunities/clinical/3946">https://www.cc-seas.columbia.edu/preprofessional/opportunities/clinical/3946</a>	Full-time students
Rutgers, Robert Wood Johnson Medical School	A 6-week summer clinical internship program that allows students to shadow clinical faculty members from a variety of specialties at the medical facilities in New Brunswick, New Jersey.	<a href="http://rwjms.umdnj.edu/education/admissions/summer_clinical.html">http://rwjms.umdnj.edu/education/admissions/summer_clinical.html</a>	Rising junior undergraduate or post-baccalaureate student  Program dates: June 6 <sup>th</sup> – July 14
New York University, College of Medicine	Established by the Bellevue Hospital Center Emergency Department, Project Healthcare (PHC) is an immersive 10-week program that allows students to take part in several weekly rotations based in the emergency department.	<a href="http://www.med.nyu.edu/emergency/education/undergraduates/project-healthcare">http://www.med.nyu.edu/emergency/education/undergraduates/project-healthcare</a>	Undergraduate and post-baccalaureate students  Program dates: June 5 <sup>th</sup> – August 11

The American Academy of Child and Adolescent Psychiatry (AACAP)	The 12-week AACAP Summer Medical Student Fellowship offers a chance for medical students to explore a career in child and adolescent psychiatry. The award consists of: (a) up to \$3500 for 12 weeks of clinical or research training under a child and adolescent psychiatrist and (b) coverage for the attendance at AACAP's annual meeting to present research.	<a href="https://www.aacap.org/AACAP/Awards/Medical_Students_Awards/Summer_Medical_Student_Fellowships.aspx">https://www.aacap.org/AACAP/Awards/Medical_Students_Awards/Summer_Medical_Student_Fellowships.aspx</a>	Medical students Membership in the AACAP is free for medical students.
American Association of Neurological Surgeons (AANS)	The AANS medical student Summer Research Fellowship provides \$2500 to 2 <sup>nd</sup> and 3 <sup>rd</sup> year medical students who wish to spend the summer working in a neurosurgical laboratory.	<a href="http://www.nref.org/MSSRF.aspx">http://www.nref.org/MSSRF.aspx</a>	Open to 2 <sup>nd</sup> and 3 <sup>rd</sup> year medical students
American Association for Thoracic Surgery (AATS)	The 8-week AATS Summer Intern Scholarship program provides an opportunity for medical students to gain exposure in the field of cardiothoracic surgery.	<a href="http://t.aats.org/research/Grants/Summer-Intern-Scholarship.cgi">http://t.aats.org/research/Grants/Summer-Intern-Scholarship.cgi</a>	1 <sup>st</sup> and 2 <sup>nd</sup> year medical students Program: June – September
American Parkinson Disease Association (ADPA)	The APDA Summer Fellowship focuses on developing Parkinson's-related research projects.	<a href="https://www.apdaparkinson.org/research/research-opportunities/medical-students-summer-fellowship/">https://www.apdaparkinson.org/research/research-opportunities/medical-students-summer-fellowship/</a>	Advanced undergraduates and medical students
Betty Ford Institute Summer Institute for Medical Students (SIMS)	A week long experiential learning program for students to gain first-hand knowledge of treating addiction.	<a href="http://www.hazeldenbettyford.org/education/medical-professional-education/summer-institute-medical-students">http://www.hazeldenbettyford.org/education/medical-professional-education/summer-institute-medical-students</a>	1 <sup>st</sup> and 2 <sup>nd</sup> year medical students
Fight for Sight Summer Fellowship	Students wishing to explore ophthalmology or eye research are awarded \$2100 to conduct a short, independent project under the guidance of a senior scientist or clinician.	<a href="http://www.fightforsight.org/Grants/Research-Award-Types/">http://www.fightforsight.org/Grants/Research-Award-Types/</a>	Undergraduates, graduates, and medical students Program: June – August
Infectious Diseases Society of America (IDSA)	The IDSA Medical Scholars Program engages participants in pediatric or adult infectious disease-related clinical or research activities.	<a href="http://www.idsociety.org/Research_Funding_Opportunities_for_Students/">http://www.idsociety.org/Research_Funding_Opportunities_for_Students/</a>	Medical students

Memorial Sloan-Kettering Cancer Center (MSKCC)	The MSKCC Summer Fellowship Program is an 8-week research program in the field of oncology and/or related biomedical sciences.	<a href="https://www.mskcc.org/hcp-education-training/medical-students/summer-fellowship/eligibility">https://www.mskcc.org/hcp-education-training/medical-students/summer-fellowship/eligibility</a>	1 <sup>st</sup> or 2 <sup>nd</sup> year medical students
Northwestern Medicine, Feinberg School of Medicine, Rehabilitation Institute of Chicago	The Department of Physical Medicine & Rehabilitation offers fellowships in the following areas: traumatic brain injury, sports medicine, sports medicine/musculoskeletal, pediatric rehabilitation, chronic pain management, and spinal cord injury.	<a href="http://www.feinberg.northwestern.edu/sites/pmr/education/extninfo.html">http://www.feinberg.northwestern.edu/sites/pmr/education/extninfo.html</a>	1 <sup>st</sup> and 2 <sup>nd</sup> year medical students
Roswell Park Cancer Institute (RPCI)	The RPCI Summer Research Experience Program in Oncology allows students to engage in clinical and/or basic scientific research for an 8-week period.	<a href="https://www.roswellpark.edu/education/summer-programs/medical/dental/pa-students">https://www.roswellpark.edu/education/summer-programs/medical/dental/pa-students</a>	1 <sup>st</sup> year medical student
Institute for Research, Education & Training in Addictions	The Scaife Advanced Medical Student Assistantship in Alcohol and Other Drug Dependency program offers students training in the field of addiction.	<a href="http://ireta.org/what-we-do/case-studies/scaifemedicalfellowship/">http://ireta.org/what-we-do/case-studies/scaifemedicalfellowship/</a>	Medical students
Vanderbilt University Diabetes Center	The Vanderbilt Student Research Training Program (SRTP) allows students to conduct research in the areas of diabetes and obesity-related areas, ranging from basic laboratory studies on gene regulation, to clinical studies in humans.	<a href="http://www.mc.vanderbilt.edu/diabetes/srtp/index.php">http://www.mc.vanderbilt.edu/diabetes/srtp/index.php</a>	1 <sup>st</sup> , 2 <sup>nd</sup> , and 3 <sup>rd</sup> year medical students
<i>Research – Public Health</i>			
National Institute on Aging	The Summer Training in Aging Research (STAR) program is an 8-10 week intensive research program where a student works closely with intramural investigators and postdoctoral fellows to study the biology of aging.	<a href="https://www.nia.nih.gov/research/blog/2016/02/apply-now-nias-summer-training-aging-research-program">https://www.nia.nih.gov/research/blog/2016/02/apply-now-nias-summer-training-aging-research-program</a>	Undergraduate, graduate, and professional students
New York City, Department of Public Health	Under close supervision and mentorship of experienced professionals, students are matched with a practicum opportunity that	<a href="https://www1.nyc.gov/site/doh/about/employment/hrt-p-internship.page">https://www1.nyc.gov/site/doh/about/employment/hrt-p-internship.page</a>	Undergraduate, graduate, and professional students  Full-time & Part-time

	enables them to experience some “real-life” challenges of public health.		Program: June – August
Centers for Disease Control and Prevention, Office of Minority Health and Health Equity (OMHHE)	The OMHHE supports a variety of Internship opportunities in public health settings.	<a href="https://www.cdc.gov/minorityhealth/internships.html">https://www.cdc.gov/minorityhealth/internships.html</a>	Undergraduate, graduate, and professional students
<i>International Opportunities</i>			
International Service Learning (ISL)	ISL provides a variety of global internships in the fields of medicine, education, and community enrichment.	<a href="http://www.islonline.org/wp-content/uploads/2016/03/Internship-Catalog-8-17.pdf">http://www.islonline.org/wp-content/uploads/2016/03/Internship-Catalog-8-17.pdf</a>	Undergraduate, graduate, and professional students  Program duration: 1 month – 2 years
Child Family Health International (CFHI)	CFHI provides a unique opportunity for students to gain immersive experiences in the field of global health.	<a href="https://www.cfhi.org/all-programs">https://www.cfhi.org/all-programs</a>	Undergraduate, graduate, and professional students  Program duration: 2 week winter intensives; 4-16 week immersion programs

**For Disadvantaged Students/Underrepresented Minorities**

<b>Organization</b>	<b>Description</b>	<b>Website</b>	<b>Misc.</b>
<i>Research – sites with multiple locations</i>			
Harvard T.H. Chan School of Public Health	The Multidisciplinary International Research Training (MIRT) program is an 8-12 week biomedical and behavioral science research program that builds on established academic links throughout the world.	<a href="https://sites.sph.harvard.edu/mirt/">https://sites.sph.harvard.edu/mirt/</a>	Undergraduates with junior academic standing enrolled in a full-time degree program
Summer Health Professions Education Program (SHPEP)	The SHPEP is designed to provide interested students with a variety of career and academic experiences in the health professions.	<a href="http://www.shpep.org/">http://www.shpep.org/</a>	Undergraduates with freshman or sophomore standing

Partnership for Minority Advancement in the Biomolecular Sciences (PMABS)	PMABS provides a collection of summer internship opportunities throughout the United States for students interested in the biological sciences.	<a href="http://www.unc.edu/pmabs/clearinghouse.htm">http://www.unc.edu/pmabs/clearinghouse.htm</a>	Undergraduates
<i>Research – individual programs</i>			
University of California, Los Angeles (UCLA)	The UCLA Pre-medical/Pre-dental Enrichment Program is designed to help prepare students for medical and/or dental school. The program contains the following components: MCAT preparation, medical/dental coursework, career guidance and personal development, and clinical preceptorships.	<a href="http://medschool.ucla.edu/current-ucla-prep">http://medschool.ucla.edu/current-ucla-prep</a>	Undergraduate and post-baccalaureate students
Creighton University	Paired with Creighton University faculty and researchers, students conduct kinesthetic laboratory research in various biomedical fields during an 8-week program.	<a href="https://healthsciences.creighton.edu/https%3A/healthsciences.creighton.edu/hsmaca/summer-biomedical-health-disparities-research-training">https://healthsciences.creighton.edu/https%3A/healthsciences.creighton.edu/hsmaca/summer-biomedical-health-disparities-research-training</a>	Undergraduates with sophomore, junior, or senior standing  Program dates: June 12 <sup>th</sup> – August 4 <sup>th</sup>
Weill Cornell Medicine, Graduate School of Medical Sciences	The Advancing Cornell Career Experiences for Science Students (ACCESS) internship program is designed for students to gain hands-on experience of biomedical research.	<a href="http://gradschool.weill.cornell.edu/student-experience/diversity-and-inclusion/summer-undergraduate-research">http://gradschool.weill.cornell.edu/student-experience/diversity-and-inclusion/summer-undergraduate-research</a>	Undergraduates with sophomore, junior, or senior standing enrolled in a full-time degree program  Program dates: June 5 <sup>th</sup> – August 11 <sup>th</sup>
Harvard T.H. Chan School of Public Health	The 6-week Fostering Advancement & Career through Enrichment Training in Science (FACETS) program engages students in group research projects within various areas dedicated to the field of public health.	<a href="https://www.hsph.harvard.edu/diversity/facets/apply-for-facets-2017/">https://www.hsph.harvard.edu/diversity/facets/apply-for-facets-2017/</a>	Undergraduates  Program start date: June 12
Ohio University, Heritage College of	A rigorous 5-week program that allows participants to gain exposure to medical school curricula, case-based problem	<a href="https://www.ohio.edu/medicine/education/pre-med-education/summer-programs/summer-scholars/">https://www.ohio.edu/medicine/education/pre-med-education/summer-programs/summer-scholars/</a>	A minimum of one year each of college-level chemistry, biology and physics

Osteopathic Medicine	solving, special lectures, clinical experiences, and research methods.		Program dates: May 22 – June 23
Tufts University, Sackler School of Graduate Biomedical Sciences	The Building Diversity in Biomedical Sciences (BDBS) program is a ten-week, mentored research program designed to provide interested students in gaining biomedical research experience.	<a href="http://sackler.tufts.edu/Admissions/Apply-to-Non-Degree-Programs/Building-Diversity-in-Biomedical-Sciences.aspx">http://sackler.tufts.edu/Admissions/Apply-to-Non-Degree-Programs/Building-Diversity-in-Biomedical-Sciences.aspx</a>	Successful completion of 1-year of college-level coursework

### Sponsored/Funded Opportunities

Organization	Description	Eligibility	Website	Contact
<i>Missionary/Religious Affiliation</i>				
Christian Medical & Dental Associations  Westra Short-Term Mission Scholarship	To provide medical and dental students with clinical experiences in developing countries.  The award covers transportation and project-related costs up to \$1000.	<ol style="list-style-type: none"> <li>1. A Christian Medical &amp; Dental Association member</li> <li>2. A 3<sup>rd</sup> of 4<sup>th</sup> year medical student enrolled in an accredited US medical school</li> <li>3. Able to demonstrate financial need to enable project participation</li> </ol>	<a href="https://cmda.org/missions/page/westra-short-term-mission-scholarship-information">https://cmda.org/missions/page/westra-short-term-mission-scholarship-information</a>	James S. Westra Memorial Endowment Fund Coordinator Christian Medical and Dental Associations PO Box 7500 Bristol, TN 37261-7500  P: 423-844-1000 F: 423-844-1005 E: <a href="mailto:gloria@christian-doctors.com">gloria@christian-doctors.com</a>
Foreign Mission Board of the Southern Baptist Convention	Round-trip travel and hospitality costs covered for many of their international mission programs. Each mission lasts about 8-weeks.	<ol style="list-style-type: none"> <li>1. Active membership in a Southern Baptist Church</li> <li>2. Preference given to medical mission candidates</li> <li>3. Recommendation by the dean of the medical school regarding character, morals, and academic ability</li> </ol>	<a href="https://www.imb.org/">https://www.imb.org/</a>	Ms. Roxanne Howard, Sec. Program Coordinator Mr. Mike Lopez, Coordinator Foreign Mission Board of the Southern Baptist Convention Personnel Selection Department 3806 Monument Avenue

				Richmond, VA 23230-0767  P: 804-353-0151, 800-999-2889 ext. 1495
Global Health Ministries	An award of \$700 to assist medical students on a mission placement in a hospital or health-care center in Tanzania, Madagascar, or Cameroon for 8-weeks.	<ol style="list-style-type: none"> <li>1. Fourth year medical student</li> <li>2. Member of a Lutheran church</li> </ol>	<a href="https://www.ghm.org/">https://www.ghm.org/</a>	Mr. Lowell Hesterman, Scholarship Coordinator Global Health Ministries 8731 Hickory Street, NE Minneapolis, MN 55432-2500  P: 612-586-9590 F: 612-586-9591 E: <a href="mailto:ghm@compuserve.com">ghm@compuserve.com</a>
<i>Research</i>				
American Osler Society	To support research in the broad areas of medical history and medical humanities, candidates of the Bean Award will be awarded a \$1500 stipend with an additional \$750 available to support travel to the annual meeting (contingent upon final research paper submission).	<ol style="list-style-type: none"> <li>1. Currently matriculated students in approved schools of medicine in the United States or Canada</li> <li>2. Faculty sponsor</li> <li>3. Project proposal</li> </ol>	<a href="http://www.americanosler.org/bean-award.php">http://www.americanosler.org/bean-award.php</a>	Renee Ziemer American Osler Society Administrator  E: <a href="mailto:aosrenee@gmail.com">aosrenee@gmail.com</a>
American Society of Tropical Medicine & Hygiene	The Benjamin H. Kean Travel Fellowship in Tropical Medicine is designed to support medical students involved in clinical or research electives in tropical areas with a \$1000 stipend.	<ol style="list-style-type: none"> <li>1. Medical students and physicians-in-training</li> <li>2. Preference given to applicants sponsored by a member of the American Committee on Clinical Tropical Medicine and Traveler's Health</li> </ol>	<a href="http://www.astmh.org/awards-fellowships-medals/astmh-sponsored-fellowships">http://www.astmh.org/awards-fellowships-medals/astmh-sponsored-fellowships</a>	Rhonda Schultz Coordinator, Awards & Fellowships  P: 847-686-2291 F: 847-686-2251 E: <a href="mailto:rschultz@astmh.org">rschultz@astmh.org</a>

National Institutes of Health (NIH)	The NIH offers a variety of grants – especially targeting groups underrepresented in the medical field.		<a href="https://researchtraining.nih.gov/">https://researchtraining.nih.gov/</a>	
<i>General</i>				
Medical Assistance Program (MAP)	The MAP-Reader's Digest International Fellowship Program is an 8-week program that provides for 75% of roundtrip airfare costs to assist physicians with rural or outlying mission hospitals, clinics, or community health programs recognized by MAP.	1. Senior medical student & resident physicians	<a href="https://www.map.org/">https://www.map.org/</a>	Mc. C. G. Rosser, RDIF Coordinator Medical Assistance Program International (MAP) PO Box 215000 Brunswick, GA 31524- 5000  P: 800-225-8550 F: 912-265-6170 E: <a href="mailto:mapus@map.org">mapus@map.org</a>
